You will definitely not want to miss this unique opportunity to explore the concept of ‘Soul Mates’.

As part of the Spiritual Life Programme, ‘Soul Mates’ is a staggeringly illuminating seminar that explores the holographic concept of having ‘soul mates’. Within the seminar examine who is your soul mate? Do we have and meet ‘the one’ or are there many mates for your soul? Is it possible to live your whole life and never meet your soul mate?

Explore the experiences that begin when you first encounter a mate for your soul, and why and when you meet them. Learn about the phenomenal physical, emotional and spiritual experiences of ‘amazement’ and how to manage the energy dynamics when meeting a mate for your soul.
